AUTHOR:
International Center for Research on Women (ICRW)

DATE: 2002

PUBLISHER: ICRW This research update is based on preliminary analysis of data collected since August 2001 from three African countries: Ethiopia, Tanzania, and Zambia. The ICRW is leading this research initiative to investigate the causes, manifestations, and consequences of HIV/AIDS-related stigma and subsequent discriminatory acts. This research update is the first in a continuing series.
