The Retro Woman CD-Rom provides advanced treatment information that is specific to HIV-positive women. It is interactive, and targets HIV-positive women and healthcare providers. Contents include lecture slides on topics such as gynecological health, gender and Viral Load, and antiretrovirals, one-page fact sheets, reference articles, and a glossary. The CD-Rom can be ordered from [retrowoman@bcpwa.org](mailto:retrowoman@bcpwa.org) or viewed online (Cable / ADSL recommended).
