AUTHOR: UNAIDS
DATE: 2010
PUBLISHER: UNAIDS

Based on the most recent data from 182 countries, this publication highlights global epidemiological trends and provides an update on the AIDS epidemic and response. It includes new country scorecards on key issues facing the AIDS response as well as trend data on incidence from more than 60 countries. Furthermore, the report provides a synopsis of achievements, failures and obstacles in achieving universal access to HIV prevention, treatment, care and support.
