

AUTHOR: Women's Human Rights Resources Programme

DATE: 2006

PUBLISHER: Women's Human Rights Resources Programme

This is the syllabus of a workshop that was held in Toronto August 14-16 2006. The workshop was organized by the Women's Human Rights Resources Programme. The syllabus contains detailed descriptions of material covered during the workshop as well as links to resources when available online. The workshop syllabus is divided into four topic areas: Overview articles; Sex, gender and social context in the HIV/AIDS pandemic; Challenges in access to prevention, treatment and care; Accountability, advocacy and documentation.
