AUTHOR:

M. Mishra and R.Venkataraman

DATE: 2000

PUBLISHER: Positive Life This film revolves around a small town family and deals specifically with voluntary testing, coping with life after infection, blame and judgment of people living with HIV, and the issues surrounding male and female sexuality. It is especially recommended for use in interventions that include young people and women. The film is accompanied by a specially designed facilitator's manual. It is designed for use by NGOs and individuals who may not have prior information on some of the issues around People Living with HIV. 89 minutes, Hindi with English subtitles.
