

In Women's Hands: A Film on Women, HIV, and Hope

Written by Editor

AUTHOR: The Global Campaign for Microbicides

DATE: 2005

PUBLISHER: The Global Campaign for Microbicides

The Global Campaign for Microbicides' has created the film, In Women's Hands, to articulate the importance of public and private sector leadership as well as citizen involvement in promoting microbicides. Community members are encouraged to hold their own screening. The film is available in VHS (PAL or NTSC) and DVD (Universal) format. Each copy will include an 11 minute and a 26 minute version. Details for ordering the film is provided in the article.
