The outcome of the Commission's consideration of the priority theme takes the form of agreed conclusions, negotiated by all States. These identify gaps and challenges in the implementation of previous commitments. They also provide action-oriented recommendations for all States, relevant non-governmental bodies, mechanisms and entities of the UN System and other relevant stakeholders, in order to accelerate implementation. The Commission on the Status of Women adopted agreed conclusions on the priority theme on 14 March 2011.
