AUTHOR: S. Raifman et al.

DATE: 2011

PUBLISHER: Population Council

This publication provides a framework for understanding how to implement a human rights based approach to prevent and manage HIV and sexual gender-based violence. The publication discusses the double-burden of SGBV and HIV, provides examples of comprehensive programmes on SGBV and HIV prevention, the challenges of using an integrated approach, and what the next steps are for SGBV and HIV prevention and management.
