

## Condoms and technology promote World AIDS Day

---

Warning: DOMDocument::loadHTML(): htmlParseEntityRef: expecting ';' in Entity, line: 3 in /home/gender/public\_html/plugins/content/image/emogrifier.php on line 63 Asia marked World AIDS Day on Thursday with free condoms, mobile phone games and flag-festooned rallies aimed at promoting awareness of a disease that kills millions in rich and poor countries each year. The United Nations launched the annual event on Thursday by calling for an "exceptional response" to the threat and said that while adult infection rates had dropped in some countries due to increased use of condoms and changes in sexual behaviour, the epidemic continued to grow.
